

# PFOA Contamination Southern New Hampshire Weekly Update

August 19, 2016

NHDES is issuing these weekly email updates during our ongoing investigation into perfluorooctanoic acid (PFOA) and other PFCs in southern New Hampshire drinking water. These updates will also be posted on our website at <http://des.nh.gov/organization/commissioner/pfoa.htm>

## **Press Releases**

No PFOA-related press releases were issued this week.

## **Private Well Sampling**

	SAINT-GOBAIN AREA	TCI AMHERST	FORMER MERRIMACK LANDFILL	FORMER LL&S LANDFILL	TCI MANCHESTER
WELLS SAMPLED	628	195	92	41	4
RESULTS RECEIVED	595	193	70	41	4
≥70	173	16	1		
SCHEDULED	12	3	5		

New results were received this week, to view the current maps for all of these locations, please visit: <http://des.nh.gov/organization/commissioner/pfoa.htm> and look under the subheading: Sampling Maps and Data.

NHDES added a map of our current private well sampling areas in the Southern New Hampshire. NHDES has sent postcards and letters to homeowners in these areas asking to sample their wells. To view the map, visit:

<http://des.nh.gov/organization/commissioner/documents/pfoa-samplingarea-poster-20160804.pdf>

If you live in this area and have not had your well tested and would like NHDES to test your well, please complete the sampling request form: <https://www.surveymonkey.com/r/NHDES-S-03-008>

## **New Items Added This week:**

No new items were added this week.

## **Public Water System Test Results**

No updates this week. Results are available on <http://des.nh.gov/organization/commissioner/pfoa.htm> by looking under the subheading: Public Water System Test Results.

## **Bottled Water Delivery/Availability**

If you are eligible and have not received delivery of bottled water or have questions about receiving bottled water, please contact Andy Fulton, NHDES at (603) 271-7376 (for Bottled Water Inquiries Only). A listing is available on our webpage: <http://des.nh.gov/organization/commissioner/documents/pfoa-bottledwaterareas-20160715.pdf>

**Public Inquiries**

If you have questions regarding the NHDES investigation into PFCs found in Southern NH drinking water, please call the Public Inquiry Line at (603) 271-9461 or visit <http://des.nh.gov/organization/commissioner/pfoa.htm>
